Nursing Notes:

Fall in love with fall! One of my favorite seasons happens to be fall. The beautiful colors, the smell in the air, the pumpkin spice. It also feels like one of the quickest! It was in the 90's and now it's sweater weather! Speaking of which, please remember to get your flu shot. We nurses ask that you let your primary doctor know sooner rather than later. The sooner you receive it, the more time you have for antibodies to develop. We are also having a Flu Clinic here in the facility on October 18th, the perfect opportunity for you to get your flu shot! We also want to mention the new staff members joining our team. As many of you know fall means back to school and although we are sad to see our students leave, we are supportive in their endeavors. That being said, we have a few new employees joining us! Please welcome them with open arms to the Lino Lakes team and get to know them. All are very excited to be here! We hope you all are well and don't hesitate to ever stop by our offices and visit.

Director of Nursing

Maintenance Notes:

The Maintenance Department has been very busy tending to resident needs, repainting vacant rooms and making upgrades to various areas along with daily cleaning and laundry.

If you are in assisted living and have a maintenance item, please enter it in the maintenance log at the front desk in the lobby. Memory Care also has a log book in the kitchen cabinet. If you need help with the log books, ask any staff member.

Just a reminder to all staff and residents, if you find anything leaking, loose, worn, missing parts or something does not work properly, contact the Maintenance Department and we will work to remedy the situation.

Thank you,

Scott Jahnz
Maintenance Director

Stay healthy this Winter!!! CVS Pharmacy will be here on Thursday, October 18th to give residents and staff flu shots. Please stop at the front desk to pick up a consent form.
